

## 2010 SIGNATURE TREATMENT ENZYME & MASK TRIO

### SKIN PREPARATION

Squeeze several drops of PREFERRED RHONDA ALLISON CLEANSER (CITRUS GEL OR SKIN BRIGHTENING) into dampened hands and smooth into skin. Massage cleanser for several minutes in order to deeply cleanse skin. Rinse skin with a warm, wet gauze. Continue to rinse until there is no residue. Blot skin dry.

### ENZYME APPLICATIONS

#### Phase One

Remove about 1 teaspoon of PEPSIN AND PAPAIN. Using a soft brush apply enzyme to skin evenly for 7-10 minutes, a light vapor of steam may be used. Place cotton pads on eyes. Remove the enzyme with warm wet gauze. Two rinses are recommended. Blot dry.

#### Phase Two

Remove 1 teaspoon of MAUI PEEL and smooth evenly onto skin. Massage skin with enzyme for 5 minutes, skin will feel like butter. Rinse enzyme from skin with tepid water and gauze pads. Blot dry.

#### Phase Three

Apply a layer of CHERRY JUBILEE ENZYME to skin using a soft brush. Place dampened eye pads on eyes and lay 4" gauze on upper and lower half of face. Wrap face in very warm compress for 5 minutes. Rinse skin with tepid water and gauze. Several rinses may be needed. Skin will be slightly pink and stimulated.
